

Welcome to ViiP

The Vermont Individual
Indemnity Plan

- Coverage for individuals and their families
- Quality care at affordable rates
- No long-term commitments

MVP Health Care says,
“Yes you can...with ViiP!”

Get quality health insurance as an individual

The Vermont Individual Indemnity Plan (ViiP) is designed for Vermont residents who are not covered by a group or government plan. There is no medical exam required, and membership is guaranteed for eligible individuals - plus their spouses and dependents.

Buy insurance on a month-by-month basis

Need health insurance to cover your child in college...for a few months while you're in-between jobs...or for a year or two or more? ViiP is fabulously flexible! You simply renew your coverage on a month-by-month basis.

Enjoy peace of mind, at an affordable cost

From office visits and prescriptions to emergency coverage and hospitalization, ViiP is your everyday plan and your safety net for the unexpected. With health care costs skyrocketing ever higher, ViiP delivers valuable peace of mind...at a surprisingly affordable cost.

ViiP is your everyday plan and
your safety net for the unexpected.

ViiP is the perfect choice for:

- College students
- Entrepreneurs
- People in-between jobs
- Anyone not covered by a group health insurance plan

ViiP delivers valuable benefits:

- Primary care and hospital visits – accessing MVP's large provider network
- Prescription coverage
- Urgent and emergency care
- Coverage for college students – at home or away at school
- And more (see the ViiP Benefit Chart for more details)

ViiP means great MVP service:

- **Member Services** – real people, available seven days a week to answer all of your questions
- **MVP After Hours** – extending our Member Services hours well into the evenings
- **24/7 Nurse Advice Line** – expert advice just a phone call away – all weekend long
- **Web site** – time-saving online access plus powerful research tools
- **Care Management Programs** – individualized attention and support designed to integrate with the support you receive from your doctors

**Why risk your physical
and financial health?**

MVP's Vermont Individual Indemnity Plan (ViiP) makes quality health care affordable for individuals not covered by a group plan...to keep you and your family healthy.
